

# RECYCLING RUN 2024

THE OFFICIAL  
COLLECTION PROGRAM  
FOR BOAT COVERS  
IN MICHIGAN FOR OVER 10 YEARS

Please see the 2024 Recycling Run Registration Form (see QR code) for important details and requirements. In order to participate, you must sign and return the Registration Form to the Michigan Recycling Coalition (MRC). Pickup regions are limited to Michigan participants.

## CONTACT US

For comments, questions, and all inquiries contact program coordinator Katie Fournier at the Michigan Recycling Coalition.

# RECYCLE YOUR BOAT COVER

*We invite you to join marinas, boat dealers, & individuals across the state to participate.*

## WHY RECYCLE BOAT COVERS?

- For every bag recycled energy, oil, and landfill space is conserved.
- Save money on disposal fees.
- Looks great on a Clean Marina application or recertification.
- Keeps the Great Lakes clean and waste free.

## HOW DO I PARTICIPATE?

1. Buy your EZ Fill Recycle Run bags at <http://tinyurl.com/2aa2pmkb>  
The purchase of your recycling bag covers pick-up, haul-away, and processing directly from your location.
2. For direct pick-up of your boat covers you must register for a minimum of 15 bags. Locations in the UP must meet a 70 bag minimum.
3. Bags are industrial size and can hold covers up to a 32' boat (1 large cover or 1-3 small covers).
4. Each bag comes with a zip tie to seal the bag, and recycling instructions.
5. Program Coordinators will reach out to schedule a pick-up with your location in June-August.

**Keep boat covers clean, dry, and condensed. All registrations are due on June 1, 2024.**

## RECYCLING FOR INDIVIDUAL BOATERS

- If registering with less than 15 boat covers, you will be required to drop-off bags at a participating drop-off location. Visit our website or join our email list to learn more about Recycle Run drop-offs.
- We ask individuals to bundle bags tightly and keep them dry and clean as they plan for recycling in the spring.
