

THE GREAT MICHIGAN COMPOST TOUR

Date:
Thursday,
September 19

Times:
6:30 PM – 8:30 PM

Address:
1219 E. Square Lake Rd
Bloomfield Hills, MI
48304

The mission of Bowers School Farm is to cultivate community through education and engagement with agriculture and the local food system. This tour will showcase community scale thermophilic/hot compost piles (using a small ASP system), bokashi composting and our vermicomposting educational program.
