

THE GREAT MICHIGAN COMPOST TOUR

This Denali-operated facility has been producing compost for the city of Grand Rapids since 2020. Learn how they embrace circularity by transforming municipal waste into organic compost that is used within residents' gardens and various city projects.

Date:
Thursday,
September 19

Times:
2 PM – 4 PM

Address:
2001 Butterworth St. SW
Grand Rapids, MI
49534

CITY OF
GRAND
RAPIDS

Note: Wear HiViz if possible, but if not, a vest will be provided.
