

# THE GREAT MICHIGAN COMPOST TOUR

Partridge Creek Composting's new site is the **first fully Part 115 compliant compost facility** in the state of Michigan. Come see the new facility in the early stages of growth. PCC specializes in **doing tremendous things with minimal costs and infrastructure**, and loves to encourage other composting hopefuls to get started with what they have available to them. Come pick their brains – they'd love to help you and your community develop something similar.

**Date:**  
Tuesday,  
September 17

**Time:**  
3:00 PM – 5:00 PM

**Address:**  
200 Washington St  
Ishpeming, MI  
49849

**Important notes:**

- There are no buildings, rain shelters, or bathrooms on site.
- Closed toe shoes are recommended.
- Come prepared to be outside in clothing that is appropriate for current weather conditions.
