

THE GREAT MICHIGAN COMPOST TOUR

Find out how your community can replicate ReMark Composting Solutions's successful operation at Georgia Street Urban Farm! As a program of FoodPLUS Detroit since September 2020, RCS aims to foster community-scale compost infrastructure development in Detroit. Please stay after the tour to join local influencers and Compost Community of Practice members for refreshments and a conversation about advancing decentralized compost systems in the city.

Date:
Friday,
September 20

Time:
3:30 PM - 5:30 PM
"Compost Conversation"
