

THE GREAT MICHIGAN COMPOST TOUR

SEEDS has **eight different composting technologies** on display in Historic Barns Park! This “petting zoo” allows you to see each composting system in action while learning how it works. Come learn about different systems and about food waste prevention.

Date:
Thursday,
September 19

Time:
9:00 AM – 11:00 AM

Address:
1500 Red Dr.
Traverse City, MI
49684
