

RECYCLE RUN 2026

MICHIGAN'S OFFICIAL
BOAT SHRINK WRAP
COLLECTION PROGRAM
FOR OVER 12 YEARS

LEARN MORE &
REGISTER FOR
RECYCLE RUN
TODAY!

We use a lot of plastic to insulate our watercrafts over Michigan winters. Ever wish there was a way to reduce all that wasted plastic? **Participate in Recycle Run!**

While boat shrink wrap cannot be recycled in the curbside bin or cart, Recycle Run offers a bagging and pick-up service to meet your recycling needs. It's as simple as registering online, buying your Recycle Run storage bags, and receiving pick-up service at your marine business. Options for municipalities and individuals are also available!

Recycling conserves resources and keeps our waterways plastic-free.
